This Chapter is sponsoring a four-day trip to Bermuda in February. Anyone who is interested should contact Loretta Romano, Doylestown Hospital, Doylestown, Pa. by November 10th.

The meeting schedule for 1979 is as follows:

January 9, 1979, Holy Redeemer Hospital, Huntington Valley, Pa.
March 13, 1979, Montgomery Hospital, Norristown, Pa.
May 8, 1979, Abington Memorial Hospital, Abington, Pa. Election of Officers—Annual meeting.
June 12, 1979, Warminster General Hospital, Warminster, Pa. Installation of Officers.

The next meeting will be held November 14th at Osteopathic Hospital, City Line Ave., Philadelphia, Pa.

Northeastern Chapter
Penny Vail, R.N., President
Pat Hinkle, R.N., Corresponding Secretary

The September meeting of the Northeastern Chapter was well attended. Guest speaker Dr. Robert Rapp was excellent and most informative.

On November 2, 1978 a meeting was held at 7:30 p.m. at the Mount Vernon Hospital, in Mount Vernon, New York. The topic was "Pacemakers." A panel of doctors and nurses discussed all aspects and how they relate to I.V. teams.

The January 4, 1979 meeting will be held at St. Lukes Hospital in New York City. The program is to to be announced.

On behalf of the Northeastern Chapter you are reminded how important it is to support your local chapter. It takes time and effort to provide these programs and there is a lot of work involved. President Penny Vail says, "It takes ALL of us to make a good Chapter."

News of chapter activities may be submitted to Ernavie Grilli, R.N., Rush-Presbyterian-St. Luke's Medical Center, 1753 W. Congress Parkway, Chicago, Illinois 60612.
